

**Greater Binghamton Chamber of Commerce
Face Book Discount Form**

Supporting local retail outlets and fellow Chamber Member businesses generates economic activity in our local community. Competition from on-line sites and outlet malls outside of the area seem attractive to many shoppers. Through this program we hope to remind our employees of the wonderful and affordable shopping options right here in Greater Binghamton.

We invite you to have a discount featured on our face book page. The process is easy! Simply complete this form and fax it to Judi Hess at 722-4513 or email the completed copy to judi@visitbinghamton.org
